Hi Skip,

These titles were *Interview with the Vampire* by Anne Rice (ISBN 9780307575852) and *Lolita* by Vladimir Nabokov (ISBN 9780307744029). Should either of these titles be available on IA/DPLA?

Hi Hugo,

Update for you on the two MOBIUS requests – the school will not be moving forward with a purchase. They

cited that they needed the materials more urgently and the professor was able to find both titles on the Internet Archive / DPLA site with simultaneous checkout so they used those versions.

Best,
Alexis

Subject: School and Library Request Approvals

Hi Alexis,

Hope you and yours are doing well! Attached please find approvals on a few recent school requests. This includes MOBIUS, Bainbridge, Wild Rose.

Also included in this file are the requests from Akron Public regarding two titles from our client publishers. At the time these requests were submitted to me, we did not have class set pricing from our client publishers. As these titles are now available for class set pricing, will that cover the needs of the school? I've included the class set price for your reference.

Thank you so much!

Best,
Hugo
